The following is an examiner's statement of reasons for allowance:

The closest art of record appears to be the literature filed by applicant in the IDS filed April 8, 2004. With regard to the embodiments of independent claims 1, 8, 14 and 21, the IDS literature does not teach the claimed function of "representing each bit with a value...", "analyzing one or more output bits..." and analyzing the input bits..."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jack A Lane whose telephone number is 703 305-3818. The examiner can normally be reached on Mon-Thurs from 7:30AM-6:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mano Padmanabhan can be reached on 703 306-2903. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
